Dear M.H.D.C.

I would like to thank Mike and Bobby for coming to my rescue today. I lost my wedding ring about ten days ago in my front yard. More specifically the area between my driveway and the neighbors yard. Since then both yards had been mowed. Today Mike and Bobby came by and in less than 15 minutes had located my ring. They said they did it for the fun. They would not take payment or reward for finding it. Once again thank-you Mike and Bobby.

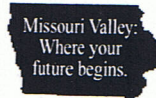

Sincerely,

Clint Sargent
